Kaixin Holdings Announces Extraordinary General Meeting Results

October 3, 2024

HANGZHOU, China, Oct. 03, 2024 (GLOBE NEWSWIRE) -- Kaixin Holdings ("Kaixin" or the "Company") (NASDAQ: KXIN) today announced that all resolutions presented to the shareholders at its extraordinary general meeting held on October 1, 2024 (the "Extraordinary General Meeting") were duly passed.

The full text of each resolution was included in the notice of the Extraordinary General Meeting, which was filed with the Securities and Exchange Commission (the "SEC") on Form 6-K on August 13, 2024 and subsequently amended on Form 6-K/A on August 23, 2024 and September 3, 2024. The full text of each resolution is also available on the Company's website ir.kaixin.com. Capitalized terms not otherwise defined in this announcement shall have the meanings assigned to them in the Company's amended notice of the Extraordinary General Meeting dated September 3, 2024.

The Company will implement and announce the effectiveness of the Share Consolidation afterwards. The Share Consolidation is primarily being effectuated to regain compliance with Nasdaq Marketplace Rule 5550(a)(2) related to the minimum price per share of the Company's ordinary shares. Immediately after the Share Consolidation, each shareholder's percentage ownership interest in the Company will remain unchanged, except for minor changes and adjustments that will result from the treatment of fractional shares. The rights and privileges of the holders of ordinary shares will be substantially unaffected by the Share Consolidation. No fractional shares will be issued in connection with the Share Consolidation, in the event that a shareholder would otherwise be entitled to receive a fractional share upon the Share Consolidation, the number of shares to be received by such shareholder will be rounded up to one ordinary share in lieu of the fractional share that would have resulted from the Share Consolidation. Shareholders who are holding their shares in electronic form at brokerage firms do not need to take any action, as the effect of the Share Consolidation will automatically be reflected in their brokerage accounts.
